Electrical Apprentice Resume

(517) 896-3509 atrainlew@gmail.com Perry, Michigan

My main goal as an apprentice is to learn. I have little experience in the electrical field and I am willing to take in all the information I can receive and apply it to be the most efficient, diligent, and skilled apprentice. I am a very hard worker and have good time management skills. I believe that I can extend my abilities as an apprentice and be very successful for a company.
